

TURK RANCH RULES
JAVELINA and/or PREDATOR

1. This lease is for harvest of javelina and/or predators only. All hunters must comply with the hunting laws of the state of Texas and the Managed Land Deer Permit System as required by Texas Parks and Wildlife Department.
2. Vehicles may only leave existing ranch roads for hunters to reach an animal that has been harvested.
3. **Alcoholic beverages and illegal drugs are prohibited on the Turk Ranch. No prescription drugs or over the counter medications which may cause drowsiness or interfere with the ability to drive may be used while hunting on the Turk Ranch.** These requirements are for the safety of yourself and all other hunters on the ranch.
4. Be considerate of others and know where everyone plans to hunt who will be in the same pasture with you. Safety first at all times. No hunting allowed within ¼ mile of Turk headquarters. Hunters will be assigned a specific area to hunt morning and afternoon and may not leave that area without permission of landowner.
5. Hunting around waterings shall not interfere with livestock coming into water in any way. At least one feeder per lessee will be available for you to hunt each day.
6. Hunters must make every effort to trail and retrieve wounded animals. Hunters must not abandon a wounded animal without showing landowner the trail before they leave the ranch. They may not continue to hunt for another animal until landowner grants permission.
7. Harvested animals must be recorded in the game harvest records. All harvested animals, including javelina and predators, must be recorded in ranch records.
8. Campsites and hunting cabin are available for rent but not included in your hunting agreement. If you use one of the owner's rooms or buildings, please clean remove all your personal belongings when you leave. Campsites or other accommodations are available for overnight use at regular day use rates.
9. At no time may hunters cross ranch outside boundary fences onto neighboring ranches unless that ranch is also leased by your host for hunting purposes.
10. Please be careful with matches and open fires. Help prevent grass fires.
11. There are pipelines all over the ranch. Some are not buried very deep and some are not buried at all. Please do not cross them with a vehicle except where there are already roads because they are easily broken.
12. Any violation of any of the Ranch Rules is grounds for asking you to leave the premises and you may not be invited back.
13. Please leave all ranch gates as you find them. If open when you arrive, you may leave it open; if closed when you arrive, please close it after you pass through.
14. All hunters must sign releases of liability Exhibits A and B prior to entering the Turk Ranch. Non-hunting guests are permitted to accompany hunters to the ranch, but must not carry any firearms and must sign releases of liability A and B. Guests other than immediate family must pay regular day use fees.

We appreciate your cooperation and hope you have a very enjoyable hunt.
