2. **Alcoholic beverages and illegal drugs are prohibited on the Turk Ranch. No prescription drugs or over the counter medications which may cause drowsiness or interfere with the ability to drive may be used while hunting on the Turk Ranch. These requirements are for the safety of yourself and all other hunters on the ranch.**
3. Please, be considerate of others and know where everyone who will be in the same pasture with you plans to hunt. Safety first at all times. No hunting is allowed within 1/4 mile of the Turk ranch home. Lessee must hunt in area assigned each day.

6. Except by special permission by your host, Mike Turk, only one campsite is approved and included with your hunting agreement.
7. At no time may hunters cross ranch outside boundary fences onto neighboring ranches unless that ranch is also leased by your host for hunting purposes. Please leave all ranch gates as you find them. If open when you arrive, you may leave it open; if gate is closed when you arrive, please close it after you pass through.
8. Please be careful with matches and open fires. Help prevent grass fires.
9. There are pipelines all over the ranch. Some are not buried very deep and some not buried at all. Please do not cross them with a vehicle except where there are already roads because they are easily broken.
10. **Any violation of any of the Ranch Rules or rules set down by your host, Mike Turk, is grounds for asking you to leave the premises and you may not be invited back.**
11. All hunters must sign release of liability Exhibits "A" and "B" prior to entering the Turk Ranch. Other family hunters must hunt with primary hunter unless given permission to hunt alone by Lessor.
